RE: South Carolina Electric & Gas Company Application for Approval to Continue Demand Side Management Programs and Included Rate Rider, and for Approval of Revised Portfolio of Energy Efficiency Programs; Docket No. 2013-208 -E

Dear Jocelyn:

The purpose of this letter is to respectfully request that the hearing date in the above-captioned matter now scheduled for Thursday, October 10, 2013 be delayed until Thursday, October 24, or as soon thereafter as the Commission may be able to schedule the hearing on its calendar.

Likewise, we respectfully request that the testimony filing dates be delayed by two weeks to coincide with the delay in the hearing itself, subject, of course, to the hearing being rescheduled as requested herein.

There are two reasons for the requested delay: (1) one of SCE&G's witnesses has a conflict on October 10, and (2) the undersigned has a long standing family vacation planned for October 4 to October 19. Please know that the Company and the undersigned are mindful of the fact that the Commission must issue its order in this case on or before November 30, 2013. Thus, if the requested rescheduling would work a hardship or inconvenience on the Commission and its Staff, please know that appropriate adjustments will be made by the Company and its counsel to comply with the currently scheduled hearing date. Also, the Company and counsel understand that if the hearing is rescheduled, then no further delays could be permitted in view of the need for the Commission to issue its order on or before November 30.

(continued ...)

I am pleased to report to the Commission that the undersigned has conferred with counsel for all other parties of record, namely, Mr. Jeff Nelson and Mr. Blan Holman, and both counsel have authorized me to state that they consent to the requested rescheduling of the hearing and of the testimony filing dates.

If further information is required, please advise. Thank you in advance for your consideration of this request.

Very truly yours,

WILLOUGHBY & HOEFER, P.A.
